

THE ADOLESCENT BRAIN

What's going on in there?
What do I need to know?
How long will this last?
(this too shall pass...)

Adolescence is the transitional period between childhood and adulthood, ages 11-21 years old.

Parents for Public Schools Hawai'i
and Lokelani Intermediate School invite you to:
2017 Open House
Wednesday, August 30th 2017, 5pm - 8pm
